

### Declarations of Business Interests and Conflicts of Interest for Executive Team (2021-22)

Members of the Executive Team are required to declare **all business interests** that they have. They must also declare any business interests that their partner or member of their immediate family have, that might affect their relationship with the Trust and/or their decision making. Completion of this form does not remove the requirement upon them to disclose orally any interest at any specific meeting and to leave the meeting for that agenda item. Any changes to the information below must be communicated immediately to the Trust Governance Manager.
